## From the Principal

Dear Parents and Guardians,

It has been a big year for Omeo Primary School. Lots of fantastic opportunities for the students to develop their personal, academic and social and emotional skills. Our values have been displayed across the year and continue to support the students being the best they can be in everything they do.

Some highlights - but by no means is everything included.

Parent and volunteer support for swimming, athletics, skiing, student learning and general support for our school.

Hard working PFC and School Council members  
The Omeo Community who support the school and celebrate our achievements with us.

New activities including our kindness advent calendar, reading at the kinder and Arena Theatre for the senior class.

Strong learning growth for students in both English and Maths.

Fantastic Celebration night where every student shone and thoroughly enjoyed themselves.

A massive thank you and acknowledgement of our hard working and committed staff. Many hours beyond the 38 hours.

Camps, preparation for events – skiing, swimming, athletics,

End of year celebration night,

Reports and weekly planning that happens at home most evenings and weekends.

Not to mention our yard duty requirements that equate to nearly 2 ½ hours extra than in bigger schools.

We are looking forward to next year with the same enthusiasm and commitment as we work together to support everyone in our learning community to develop the skill required to be successful individuals in whatever area they choose.

We wish those leaving us all the best for their future learning journey. Farewell to the Camm, Johnson and Adams families and of course Mr A.

We hope everyone has a lovely holiday time, and look forward to 2018.

Cheers Trish
